Felix Valencia has trained extensively since the age of 4 (over 38 years) within a multitude of devastating no-nonsense fighting arts within each range of combat. Valencia has been inducted into the Karate Martial Arts Hall of Fame and the Filipino Martial Arts Hall of Fame. He became world renowned as "Edgar's Brawler" when he found a home within Punong Guro Edgar Sulite's Filipino based system of LAMECO Eskrima. Putting this knowledge into real life application, Valencia has successfully competed in numerous full contact stick and knife fights. As a result, Guro Valencia has chosen the most street applicable systems, extracting techniques and philosophies of martial arts that allow him to flow without interruption between each range of fighting, utilizing a volatile arsenal that compromises Valencia LAMECO Eskrima. Guro Felix Valencia has earned the reputation both in the Martial Arts and Law Enforcement communities as one of the most versatile Martial Artist alive.
